

Dear KidSport Recipient:

KidSport loves to hear stories of how sport has helped families! Maybe you were helped by KidSport as a child, or you have noticed something special about your child's ability to participate – either way, we'd love to hear your story!

Hearing stories and seeing smiling faces enjoying sport makes our day at KidSport! Write us a note below or email us, send a photo or picture they drew.

Five horizontal lines for writing a note or story.

We would like to include comments, voice overs, photos from our recipients in our promotional materials by mention of first name and sport. Please complete the following:

Parents First Name: _____

Child's First Name: _____

Sport: _____

Phone Number or Email: _____

(for a voice over/photos/video – please only include if you wish to be contacted)

By submitting this testimonial, I agree to have my quote listed in any promotional material associated with KidSport. I understand that only my first name or child's first name and the sport will be listed in the quote.
